

I can see how music is part of everyday life. Name _____

Interview a parent or other adult to learn how music has been a part of their life.

1. Is there a special song you remember from your childhood? What made it special?

2. Is there a special song you remember from your teenage years? What made it special?

3. In your teenage years, what technology did you use to listen to music?

4. In your teenage years, did you listen to music while doing something else?

5. Now, what kind of music do you like best? _____

6. Now, when and where do you like to listen to music? _____

7. If you won free tickets to attend a concert, what would you like to see?

Student: Look back over the answers. What is something new you learned?

Does anything surprise you?
