

Groovin' from Home

Strings

Welcome! **Groovin' from Home** is a set of short, step-by-step improvisation experiences created for beginning to intermediate orchestra students. It's a chance to play your instrument and make up *your own* music.

Just follow the narrator and have fun!
We hope you'll want to play each track more than once.

I can improvise rhythm on one pitch (D)

How are you feeling about improvising today?
Come back and take another turn. The more
you improvise the more fun it gets to make up
your own music!
