In music, things have been developing rapidly, especially in the last 48 hours. I apologize for the perceived brevity selected students and was intended to be followed by this email. Aspects of the event planning have been altered and will be provided in its place. More information will be provided about a replacement online schedule of sectionals and online rehearsals, recording procedures, deadlines and release dates of the recordings by email and on the MMEA website. Students should reserve the In-Person times in their calendar for additional rehearsals, recording procedures, deadlines and release dates of the recordings by email and on the MMEA website. Students should reserve the In-Person times in their calendar for additional rehearsals, recording procedures, deadlines and release dates of the recordings by email and on the MMEA website. Students should reserve the In-Person times in their calendar for additional rehearsals, recording procedures, deadlines and release dates of the recordings by email and on the MMEA website. Students should reserve the In-Person times in their calendar for additional rehearsals, recording procedures, deadlines and release dates of the recordings by email and on the MMEA website. Students should reserve the In-Person times in their calendar for additional rehearsals, recording procedures, deadlines and release dates of the recordings by email and on the MMEA website. Students should reserve the In-Person times in their calendar for additional rehearsals, recording procedures, deadlines and release dates of the recordings by email and on the MMEA website.
